**CURRICULUM VITAE**

**CLINICAL EXPERIENCE**

1996-present

**Private Practice**

Torrance, California

Neuropsychological and personality assessment for adults, adolescents and children in clinical and forensic settings; Psychotherapy and consultation for adults, adolescents and children. Independent education-related evaluations.

2011-present

**Supervising Faculty**

Neuropsychology Services & Training

Department of Psychiatry/Psychology Division

Harbor-UCLA Medical Center, Torrance California

Jan. 1996-

July 1996

**University of Southern California**

Los Angeles, California

Staff psychologist at the university's student counseling center. Provided short term individual therapy for a multi-cultural student population.

Assisted with on-call crisis services. Provided consultation and outreach services to students, staff and faculty.

1994-1995

**Erik and Joan Erikson Center for Adolescent Advancement**

Van Nuys, California

Clinician at residential treatment center for severely emotionally disturbed adolescent boys and girls. Provided individual, group and family therapy, case management and psychological assessment. Coordinated intake testing of all patients.

1993-1994

**Santa Monica College**

Santa Monica, California

Half-time intern at campus counseling center. Provided short-term individual therapy, group therapy and crisis intervention to a multi-cultural student population. Provided campus outreach services and psychological testing.

1992-1993

**Erik and Joan Erikson Center for Adolescent Advancement**

Tarzana, California

Halftime intern at residential treatment center for severely emotionally disturbed adolescents. Provided individual, group and family therapy, case management and psychological testing.

1991-1992           **Chabad Mental Health Programs**  
Los Angeles, California  
Practicum trainee at residential drug treatment program for men and women.  
Provided individual and group psychotherapy.

## EDUCATION

2001-2003           **Fielding Graduate Institute**  
Post-Doctoral Specialization Certificate in Neuropsychology

1990-1994           **California School of Professional Psychology**  
Los Angeles, California  
Ph.D. in Clinical Psychology granted August, 1994

1981-1985           **University of California, Los Angeles**  
Los Angeles, California  
B.A. in world literature with an emphasis on poetry

1983-1984           **Lund University**  
Lund, Sweden  
Year-abroad study program through UCLA

## CERTIFICATIONS AND APPOINTMENTS

Diplomate, American Board of Pediatric Neuropsychology  
(Diplomate Examiner, American Board of Pediatric Neuropsychology)  
Diplomate, American Board of Professional Neuropsychology  
Associate Editor, *Cerebellum and Ataxia*  
Editorial Board member, *The Cerebellum*  
Series Co-Editor, *The Vertically Organized Brain in Theory & Practice/Springer*

## PROFESSIONAL PRESENTATIONS

- September to October, 2019 Psychoneurobiology for Clinicians  
Five week continuing education course for Newport Psychoanalytic Institute, Tustin, CA.
- April, 2016 The Cerebellum and Executive Function  
Lecture via Skype for University College London pediatric neuropsychology students
- March, 2016 The Pokemon in the Room: Exploring the Benefits and Drawbacks of Tech  
Profectum Foundation Conference; keynote presentation. Pasadena, CA.
- August, 2015 The Vertically Organized Brain: Implications for Executive Function, Sensory Systems and Learning  
Walden School; presentation with Dana Chidekel; Pasadena, CA.
- July, 2015 The Vertically Organized Brain in Communication  
West Coast Communication Symposium; keynote presentation with Dana Chidekel, Jayme Jones, and Peggy Schaefer. Whittier, CA.
- March, 2015 The Cerebellum: From Movement to Thinking and Emotion  
Profectum Foundation Conference; keynote presentation. Pasadena, CA.
- September, 2014 to present Theory in Practice: The Vertically Organized Brain  
Series of three and six hour continuing education presentations with Dana Chidekel and Jayme Jones. See [www.theoryinpracticenow.com](http://www.theoryinpracticenow.com)
- February, 2012 Born to Move: The Co-Development of Movement and Cognition. With Dana Chidekel.  
Pediatric Therapy Network's R2K Conference. Torrance, California.
- November, 2011 Innovations in Neuroscience: The Vertical Brain – Implications for Developmental Disorders and Sensory Integration. With Dana Chidekel. Recolo First Annual Conference. London, England.
- March, 2011 From Movement to Thought: Subcortical Contributions to Psychiatric and Learning Disorders. Third Annual ACPN Conference, Las Vegas.
- March, 2011 Cortical-Subcortical Networks and a Dual-Tiered Model of Cognition: Theory and Practice. Pacific Northwest Neuropsychological Society Conference, Seattle.
- October, 2010 Learning Disorders: Beyond the Verbal-Nonverbal Divide. HELP Group Summit, Los Angeles
- December, 2009 Your Brain: A User's Manual for Non-Neuropsychologists. Psycho-Legal Associates  
February-June 2010 6 hour CME course.
- October, 2009 Procedural Deficits in Learning Disorders: A View Beneath the Verbal-Nonverbal

Dichotomy. Association of Educational Therapists annual conference.

- September, 2009 Your Brain: A User's Manual for Non-Neuropsychologists. Psycho-Legal Associates  
6 hour CME course.
- August, 2009 Old Dogs Learning New Tricks: Habit formation and Change. Torrance Public Library.
- April, 2009 Automaticity and Higher Order Control in Psychiatric Disorders: New Directions  
For Neuropsychology. California Psychological Association, Oakland.
- February, 2009 Automaticity and Higher Order Control: What Do These Words Mean, and  
Why Should You Care? Antioch University, Los Angeles
- February, 2008 Neuropsychological Evaluation of Neurodevelopmental Disorders. Antioch University,  
Los Angeles
- February, 2008 The Rorschach in Neuropsychological Evaluation. Child and Adolescent Treatment  
Consortium, Encino
- March, 2006 Collaborative Role of Neuropsychology in Psychiatric IME Evaluations.  
American College of Forensic Psychiatry, San Francisco Symposium

#### **PROFESSIONAL AFFILIATIONS**

Member Society for Neuroscience (SFN)  
Member International Neuropsychological Society (INS)  
Member California Psychological Association (CPA)  
Member Society for Research on the Cerebellum (SRC)

#### **OTHER EXPERIENCE**

- 2015-present **NeuroCurious Podcast**  
[www.neurocurious.org](http://www.neurocurious.org)
- 1988-1989 **HOME Magazine, Free-lance Writer**  
Los Angeles, California  
Wrote design-related articles and book reviews
- 1985-1988 **HOME Magazine, Assistant Editor/Editorial Assistant**  
Los Angeles, California  
Produced and wrote landscape and gardening-oriented articles,  
product-related articles, and book reviews.
